# DEDICATION

Arithmetic is where numbers fly like pigeons in and out of your head.
Arithmetic is numbers you squeeze from your head to your hand to your pencil to your paper till you get the answer.
Arithmetic is where the answer is right and everything is nice and you can look out of the window and see the blue sky—or the answer is wrong and you have to start all over and try again and see how it comes out this time.
(from "Arithmetic" by Carl Sandburg)

Arithmetic with Mrs. Marian Droege (and the more complex math she taught) was where a 3-M overhead projector, a bottle of Windex, a marker, and a roll of paper towels could mean all the difference between success or frustration.

She has taught it with a flair—Elementary and Modern Algebra I & II, Practical Math, Geometry, Advanced Mathematics, and Introductory Analysis. During her thirteen years at S.F.B., Mrs. Droege has also been active in many extra-curricular activities, including the make-up crew for the school musicals, the Pro-Life club, and the National Honor Society. In the words of her students:

"Mrs. Droege was always willing to give, even when she was tired and had work of her own to do."

"She was always there to give extra help for those in need."

"She could explain the most difficult problems and make them seem simple."

"She was always concerned about her students."

"If you had a problem and she couldn't answer right away, she would work on it in her free time and have an answer the next day."

"She was an amazingly brilliant teacher as well as an outstanding, beautiful person and friend."

We, the students and faculty of St. Francis Borgia, will always hold a great respect and appreciation for Mrs. Droege. With her smiling "nuts to you" and ever- present overhead projector, she will be remembered
with love. It is with pride that we dedicate this 1978 yearbook to MRS. MARIAN DROEGE.

# SENIOR PROM

The 1978 Senior Prom was a night of fantasy and fun. The Royal Court of Fantasy Island consisted of His Highness Bob Diener, Her Highness Anita Kuchem, and the Royal Princes and Princesses Doug Riley, Donna Garbs, Tom Kluesner, Dana Collins, Sean O'Keefe, Carla Christensen, Lori Garbs, Jim Kimminau, LuAnn Lanwermeyer, and Tim Boland.

After the traditional presentation of the Seniors to the guests, the Seniors invited their parents for the first dance, and they "tripped the light fantastic" to the music provided by Summit.

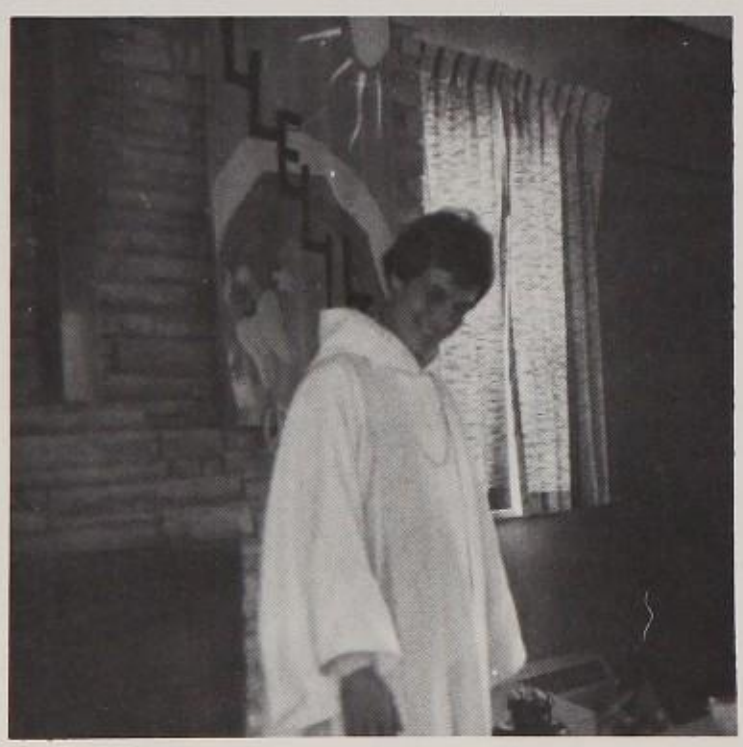
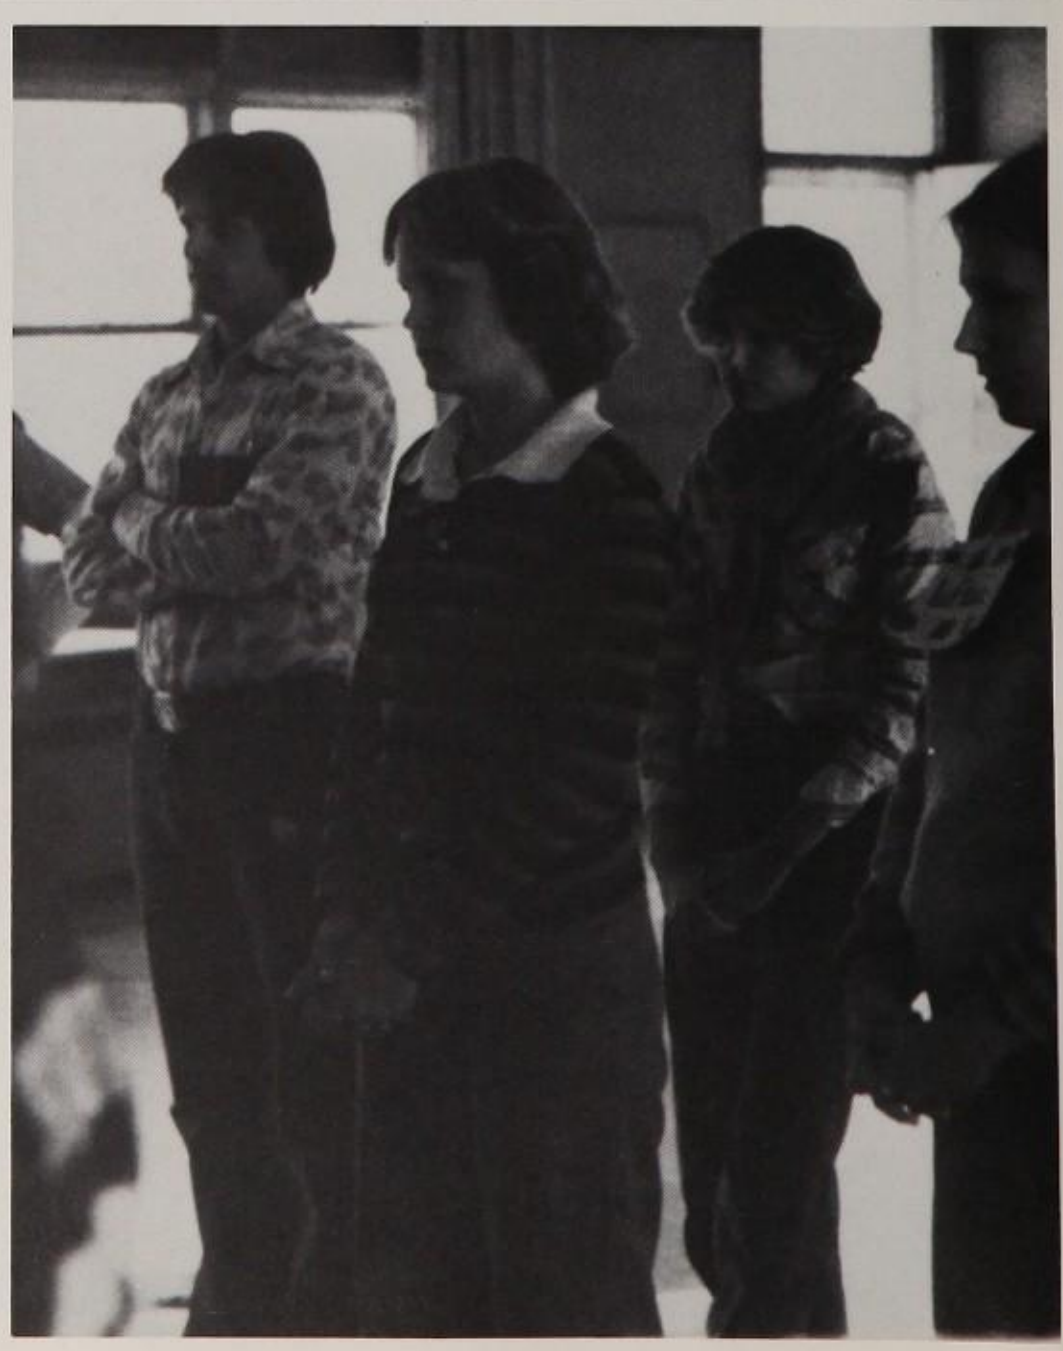
# FELLOWSHIP OF THE RING

The long-awaited event had finally arrived! Receiving the class rings gave everyone a new feeling of unity. Eyes and rings sparkled together as the Juniors realized they could now call themselves Seniors. The responsibilities and challenges of their last year at Borgia also created a more quiet and serious atmosphere, intensified by the Mass. But the tradition of turning rings for luck gave everyone confidence to go on.



# SENIOR RETREAT

The relaxation, reflection, and togetherness of the Senior Retreat centered around building relationships with oneself, with God, with others.



# BUBBLE-BLOWING CONTEST

Proceeds from the bubble-blowing contest, sponsored by the Student Council, went to Cystic Fibrosis. This "sticky competition" seemed to be no problem for winner, Donna DeBroeck.

# BORGIA HOMECOMING 1977-78

The Parade, the Queen, the Victory

Borgia Homecoming festivities begin with the traditional homecoming parade. Athletic teams boast their records, organizations are recognized, and homecoming floats are finally unveiled for public view. The homecoming festivities reach a double climax. The first occurs after the parade when the floats have been judged and the winners are announced. The 1977-78 winning floats were (top to bottom): Senior homeroom 12C's "Borgia Crunch" in first place; Freshman homeroom 9E's "Kix" in second; and Sophomore homeroom 10B's "Quisp" awarded third.

The second climax arrives at the crowning of the Homecoming Queen during the half-time of the football game. This year Borgia's student body chose (opposite page, left to right) Nancy Holtmeyer as First Maid of Honor, Julie Piontek 1977-78's Homecoming Queen, and Jody Voss as Second Maid of Honor.

The enthusiasm and spirit of the Borgia Parade accelerated in the Homecoming game itself as the Knights fought on to a victory over Wentzville, 17-12.

# AWARDS BANQUET

Football Superstars of Borgia honored at the Awards Banquet are: Todd McDonald and Dave Haddox (most valuable linemen), Tom Noelke and Dan Zoellner (most valuable backs). These super heroes were honored with the presence of Bob Burnes as guest-speaker, and coaches Harold Flanagan and Ray Degreeff. The Softball Superstars of Borgia had another great season as they complied an 11-3 record.
